

Dear Hiring Manager,

I am eager to apply for the DevOps Engineer role at your company. With over seven years of experience, I have a proven track record in automating, optimizing, and scaling infrastructure across both startups and enterprise environments. My expertise in tools like Terraform, Ansible, Jenkins, and Kubernetes, along with deep knowledge of GCP and AWS, allows me to build robust and scalable solutions efficiently.

I thrive in fast-paced settings, driving continuous improvement and enhancing platform reliability. My hands-on approach and strong collaboration skills make me confident that I can contribute effectively to your team.
